

2ND

ANNUAL HSR CHARITY GOLF TOURNAMENT

MONDAY, MAY 8th, 2017
Norbeck Country Club, Rockville, MD

REGISTRATION FORM

We thank you for participating in and being part of the success of our 2nd Annual Charity Golf Tournament. All proceeds support our pain management research.

In America alone, over 100 million people suffer from pain - and these are just those who seek medical care. Pain is often undiagnosed & untreated yet leads to reduced workplace productivity, hundreds of millions of dollars a year in medical expenses, and most importantly - has a dramatic and negative impact on an individual's quality of life. We are working on an overall new approach to the identification and treatment of pain, one that promises to reduce the dependency on narcotics, while more quickly identifying and resolving the underlying problem early on.
